Dear Ms. Zneimer,

I would like to congratulate you on receiving first place in the Undergraduate/Graduate Creative Activities & Research Forum: Engineering/Physical Science competition from the Center for Undergraduate Research and Creative Activities. This is a major accomplishment and a testament to your hard work and dedication. This recognition is not only an honor to you, but also to the Department of Geology, the College of Science, and to SIU.

I wish you the best of luck in all of your future endeavors.

Sincerely,

Susan M. Ford

Interim Provost and Vice Chancellor for Academic Affairs
