Stephania Zneimer
Department of Geology
Southern Illinois University
Carbondale, IL 62966

Dear Ms. Zneimer:

Congratulations! Your poster entitled “INTEGRATING STABLE ISOTOPES IN PRECIPITATION AND EARTH SYSTEM MODELS TO INTERPRET LOCAL WATER CYCLE DYNAMICS” was selected as among the best of the Undergraduate Student Poster Presentations from the 2016 North Central Section of GSA, and receives an Honorable Mention. Your award consists of a check for \$50.

To receive the award, you will need to contact Nancy Williams, the Executive Secretary of the North-Central Section, Geological Society of America, and provide her with your social security number and the address to which you would like the check mailed. Nancy can be reached at (417) 496-2187, or at gsanorthcentralsection@gmail.com.

Our society wishes you success in your future geologic endeavors and encourages you to continue in your professional education.

Best Wishes,

A handwritten signature in black ink that reads "Andrew C. Phillips". The signature is written in a cursive, flowing style.

Dr. Andrew C. Phillips
Student Awards Chair, North-Central Section GSA
